ORGANIZING COMMITTEE REPORT
USDAA® Sanctioned Agility Test Test Date(s):_____

Host Organization:_____ Group No.:_____

The following items must accompany this report for each class:

- Completed Event Results Book, each page reviewed and signed off by judge
- Class Running Order Lists & Reconciliation
- Summary/Accumulator Score Sheets, reviewed and initialed by scorekeeper
- Individual Score Sheets, as marked by the scribe
- Original Entry Forms

EVALUATION OF THE AGILITY TEST:

Circle a rating number for each of the following areas and provide comments regarding each. Consider a 1 rating to mean that there is no room for improvement or an "excellent" rating, and a "4" rating to mean needing significant improvement or a "poor" rating. For a rating of 2, 3 or 4, you must provide comments to explain where improvements could be made.

Best ⇔ Worst

1 2 3 4 *Overall evaluation of the agility test:*

_____

_____

_____

1 2 3 4 *Evaluation of judge (proper application or rules, organizational procedures, attitude, punctuality, and professionalism before and during the event; identify/explain any perceived deficiencies):*

_____

_____

Would you invite judge(s) to officiate at a future test? Circle: Yes *or* No

1 2 3 4 *Evaluation of site & facilities (adequacy of size, course area surface, parking, etc.):*

_____

_____

Provide details of any incidents of misconduct or dog aggression. Identify parties involved, (attach a copy of the original filed complaint and on a separate sheet identify persons present for committee hearing, the circumstances, what corrective or disciplinary action was taken, and have it signed by each committee member and witness present):

Dog Reg. No.	Owner's Name or Handler if other than Owner	Description of Incident

[Attach additional sheet listing others if necessary.]

Provide details of any other complaints or problems that arose during the conduct or preparation for this test and explain how the Organizing Committee resolved them (attach separate sheet if necessary):

_____

_____

_____

_____

Provide details of any accidents involving people, dogs or property and the extent of injuries or property damage, if any:

_____

_____

EVALUATION OF RING OPERATION:

If two or more rings were operated, were they operated concurrently? *(Circle one):* Concurrently *or* Alternately

Other than for lunch, describe reasons why there were delays of more than 40 minutes between classes or if two judges with alternating rings are being operated, 20 minutes. (It is reasonable to expect that course building, walk-throughs and briefings can be efficiently accomplished in 40 minutes in a single ring.) Also, describe any difficulties encountered with the coordination of two or more rings, if used:

_____

_____

_____
