2010 Performance Grand PrixSM Championships - Local Qualifier

This class is open to all competitors other than those who are entered in the Grand Prix qualifier at this event, regardless of titles earned or skill level. This qualifier is a single-round tournament featuring the Performance Program in its basic form. The course includes obstacles as set forth in Chapter 7 of USDAA Rules and Regulations for standard performance class, except that no table obstacle shall be used. Standard scoring shall be applied utilizing time standards generally ranging from 3.30 yards per second to 3.55 yards per second for competitors in the 16" and 22" height classes, from 2.95 to 3.25 yards per second for competitors in the 12" height class and 2.75 to 2.95 yards per second in the 8" height class.

Awards

Competitors that earn ZERO faults shall earn a qualifying score. In addition, the first place qualifying handler/dog team in each height class shall earn a "bye" voucher, permitting them to directly advance to the final round of a regional championship. A double maroon and pink ribbon shall be awarded to all qualifiers.

SPECIAL NOTES: When a local qualifier is held in conjunction with an agility test where all levels of titling are NOT being offered, 'bye' vouchers will not be awarded. (e.g. Starters/Advanced only, Advanced/Masters only, Masters only – **Tournament Only shows do not fall into this category**) Competitors with a qualifying score placing first in a jump height shall be named Regional Champion and earn a bye into the World Championship semifinals. Additionally, competitors at a Regional Championship with a qualifying score in Round 2 in the top 50% in each height class shall earn a bye into the semifinals at the Cynosport World Games. If at a regional championship a bye is earned by a competitor/dog team who has already earned a bye in that jump height, the bye is forfeited.

Qualification and Advancement for both tournaments: Competitors that earn ZERO faults shall earn a qualifying score. Additionally, the first place competitor in each height class who has earned a qualifying score shall be eligible to enter the final round of a Type 1 Regional Championship without regard to their score in the first round. Such eligibility shall be documented through a "bye" voucher. A competitor may earn more than one voucher, and the voucher is non-transferable, can be used only once and must be submitted with the competitor's entry form for a Type 1 Regional Championship. See complete rules and regulations for Regional Championships, which are hereby incorporated by reference. The rules may be found on the USDAA web site—General Information—Forms and Documents Library, or may be requested in writing by US mail from the USDAA office. A competitor must have two qualifications from local qualifiers, one of which may be from the first round of a Regional Championship, in order to qualify for entry to the world championship quarterfinals; however, where a competitor may choose to compete in both Grand Prix and Performance Grand Prix qualifiers during the current tournament season, the competitor is only eligible to compete in the championships of the tournament in which they have earned the most qualifications. Further, 2010 tournament rules stipulate that a competitor must compete all in Championship or all in Performance tournaments at Regional and National/World Championship events.
