What If You Want Two Different Pairs Partners...

...for the two rounds of the titling pairs relay class.

If you enter both rounds but only list one partner, you'll be paired with that partner for both rounds. Which means, if you still need 5 unique pairs partners for your pairs masters/ADCH/PDCH title, if you qualify in both rounds with this partner, only one will count towards your unique partners list (but both will count towards your lifetime points).

If you would like two unique partners for the two rounds, either list them both if you already have them arranged, or include a note saying you would like two unique partners. Eezy-peezy.
